Important Dates For Fall

- Tuesday, Sept. 3 - **First Day of School**
- Friday, Sept. 27 - **Creek Crawl**

- Wednesday, Oct. 9 - **School Photo makeup/retake day**

Student Drop-off and Pick-up Procedures

- The west entrance is for dropping off and picking up students. **You must enter the parking lot from Cleveland Ave with a right turn and exit with a right turn.** The east entrance is for busses only.
- Please form **two lines** of cars throughout the parking area (there is a yellow dotted line to assist drivers) Merge into one single car line when entering the lower playground
- Please **pull all the way around and past the cafeteria doors** when it is your turn so that more vehicles can pull up behind you.
- **For pick-up, please have your car tag with student name and number visible** in the driver's side window when our staff member is taking names and move it to the passenger's side window when getting close to the cafeteria doors. If you are the first few in line you can just put it in the passenger's side window.
- There will be staff members **on duty from 8:35-8:50 am** at the student drop-off site. For safety, **children should remain inside the vehicle** until staff comes on duty at 8:35 am. At 8:35 am, staff members will help open doors to vehicles when needed. **Parents should not get out of their vehicles to say goodbye.** **This holds up the line. Please have all of your student's backpacks and other items ready to go so they can exit quickly.** If you need extra time to help your child in or out of the car, please pull into the center of the lower parking lot.
- **Doors close promptly at 8:50 am.** After this time your child is tardy, and you must sign them in at the office.
- **Parents should stay in their cars ready to go at dismissal time.** Staff members will come outside at **3:50 pm** to help students get into their cars if necessary.
- In the morning, 10-12 vehicles can unload at one time as students can enter the building through the gym or cafeteria doors.
- In the afternoon, 4-6 vehicles can load at one time as students will only exit the building from the cafeteria doors.

School Safety

School safety is one of our top priorities in the School District of New Berlin. We consistently review and revise our safety plans and protocols in an effort

to provide the safest learning environments possible for all students. Additionally, we have safety measures in place after school when our buildings are open to the public for sporting events, concerts/performances, meetings, practices, and more.

Over the summer, in an effort to enhance safety throughout the district, the bell and public address systems at all schools were upgraded. The new systems will provide improved alerts and communications options in the event of an emergency. Additionally, this school year all elementary schools will have the presence of a security guard throughout the school day. The security personnel will patrol the schools and provide additional safety support in conjunction with the district's school resource officers, who spend the majority of their day at our respective middle / high schools.

Thank you for your attention to this and your continued support of our safety measures.

If you have any questions, please contact our building principal Kevin Gemignani via email at kevin.gemignani@nbexcellence.org or call 262-789-6528.

Best Buddies Friendship Club

Best Buddies Friendship programs build one-to-one friendships between people with and without intellectual and developmental disabilities (IDD), offering social interactions while improving the quality of life and level of inclusion for a population that is often isolated and excluded.

Through their participation, people with IDD form meaningful connections with their peers, gain self-confidence and self-esteem, and share interests, experiences and activities that many other individuals enjoy.

We will hold monthly activities after school. Most events would be held at Poplar Creek.

If your child is interested in being a part of this wonderful club please sign up on the the google form below.

HELD ONSITE AT YOUR
SCHOOL

WHERE SPANISH COMES ALIVE!

Studies show that children learn another language more easily when it is a topic that they find fun and interesting. This year's Vamos series incorporates useful and exciting Spanish vocabulary, culture, and conversation skills.

- In our **¡Vamos a Comer!** (Let's Eat!) class, students will be introduced to the market experience from Spanish speaking countries, ordering food in a restaurant, and vocabulary to use at mealtime.
- In our **¡Vamos con los Animales!** (Let's go with the animals!) class, students will experience imaginary animal adventures with hands-on lessons "visiting" a pet store, a family farm, the zoo, the ocean, and even the rainforest!

Don't miss out on this valuable opportunity for your child to practice Spanish in an interactive bilingual classroom!
