Artist in Residence

Thanks to the PTO for funding the Artist in Residence opportunity!

We were able to bring Marina Lee, a well known sculptor from Milwaukee, to facilitate a wonderful experience in making community art.

Students began working with Marina Lee to create several stunning types of art for our school walls. They learned how to work collaboratively to bring an artistic vision to completion by each doing their part.

Each student got an opportunity to work with Marina Lee during their hour of art.

It's been really exciting to see our art pieces develop!

PTO NEWS

Hello Poplar Creek Families!

Can you believe we are approaching the end of the school year!? Time really does fly!

However, what this also means we are gearing up for one of our favorite activities of the year, CARNIVAL!

In order to make this event a success we will need volunteers. It is such a wonderful and fun time to be with your kids at school. Some of our favorite volunteering memories are at this event!

<https://www.signupgenius.com/go/409084BAAAF2BA4FC1-pcstudent>

Please note, if you have not volunteered yet this year, you may need a background check completed.

Here is how you do that:

1. Go to <https://www.nbexcellence.org/schools/pc/get-involved/volunteer.cfm>
2. Complete the **“Parent Volunteer I-Form Poplar Creek”**

Within 24 hours from completing the form you will receive an email with a link to the Background Investigations Bureau (BIB).

Complete this ASAP. (Please note if you complete the I-Form over the weekend, you will not receive the link until Monday morning)

Please email the PTO with any questions poplarcreekPTO@gmail.com

The warm weather has finally arrived!

It is so much fun at Poplar Creek this time of year - the students enjoy using the playground equipment, running on the field (when it isn't wet from rain), playing sports, and socializing with friends at recess.

We are so lucky to have so much green space!

With green space comes a few pesky problems: bugs! We have spotted a few ticks this year on our playground and want to make you all aware of this.

We have been keeping a close eye on kids and reminding them to check their clothes/arms/legs/necks for any bugs they may have brought inside after recess.

It is good practice for you to do the same with them at home!

The following diagram from the CDC is a helpful guide to use when checking for ticks after playing outside:

What's a day at camp like?

Programming includes boating, swimming, outdoor skills, crafts, theatre, song and dance, archery, games, creative cooking, nature, STEM, woodworking, and more! Plus, your daughter and her unit will work together to cook their lunch over a campfire.

With busing from
New Berlin

Who can attend?

- We welcome individuals, buddies, small groups, and entire troops! Campers don't need to be part of a GS troop during the school year to attend.
- Think your daughter's too young? Dozens of Daisies from 4K up join us every summer; programming is designed to fit each camper's age level.
- Think your daughter's too old? Each grade level has more challenging activities added, including late-stay evenings and overnight stays.

Volunteers needed! Girls in middle and high school can volunteer as Program Assistants and Counselors in Training and gain valuable leadership experience and service hours. Adult volunteers are also needed; consider spending a day at camp with your daughter!
