From the Desk of Mr. S

Good morning Poplar Creek Families,

It is the time of year that our educational team begins to develop class lists for the 2024-2025 school year.

Our team puts a great deal of time and thought into this process. We consider each student's peer relationships, academic strengths and areas of growth, dispositions, personality, learning styles, and social emotional needs, along with gender ratio, teaching styles, and assessment data, for the creation of balanced, successful class placements.

Please keep in mind that we do not accept requests for particular teachers. Instead, we ask that you offer insight regarding the unique needs of your student's personality, strengths,

and areas of growth. Please fill out a separate form for each student.

Forms are due Tuesday, May 28

Here is a sample list of statements that are helpful to us in the class placement process:

- My student needs a learning environment with predictable routines and structures.
- My student needs an environment that allows for movement.
- My student prefers choice when completing assignments and assessments.
- My student is easily distracted and needs a teacher who understands that.
- My student responds well to a teacher who is direct.

Thank you for your input!

Hello Poplar Creek Families!

Can you believe we are approaching the end of the school year!? Time really does fly!

However, what this also means we are gearing up for one of our favorite activities of the year, CARNIVAL!

In order to make this event a success we will need volunteers. It is such a wonderful and fun time to be with your kids at school.

Some of our favorite volunteering memories are at this event!

<https://www.signupgenius.com/go/409084BAAAF2BA4FC1-pcstudent>

Please note, if you have not volunteered yet this year, you may need a background check completed.

Here is how you do that:

1. Go to <https://www.nbexcellence.org/schools/pc/get-involved/volunteer.cfm>
2. Complete the **"Parent Volunteer I-Form Poplar Creek"**

Within 24 hours from completing the form you will receive an email with a link to the Background Investigations Bureau (BIB).

Complete this ASAP. (Please note if you complete the I-Form over the weekend, you will not receive the link until Monday morning)

WHERE SPANISH COMES ALIVE!

Studies show that children learn another language more easily when it is a topic that they find fun and interesting. This year's Vamos series incorporates useful and exciting Spanish vocabulary, culture, and conversation skills.

- In our *¡Vamos a Comer!* (*Let's Eat!*) class, students will be introduced to the market experience from Spanish speaking countries, ordering food in a restaurant, and vocabulary to use at mealtime.
- In our *¡Vamos con los Animales!* (*Let's go with the animals!*) class, students will experience imaginary animal adventures with hands-on lessons "visiting" a pet store, a family farm, the zoo, the ocean, and even the rainforest!
