PULL TOGETHER

Pop tabs may be small, but they make a big impact!

Since 2000, recycling the little aluminum tabs from soda cans has generated over \$400,000 for our Ronald McDonald House®.

Your pop tab collection helps keep families together.

What are pop tabs?

Pop tabs are the aluminum tabs found on the top of cans. Aluminum is one of the most recyclable materials in the world and, although the whole can is valuable, the pop tab is smaller and cleaner, making it easier to collect in large quantities.

How do pop tabs help?

The pop tabs collected are taken to our recycling partner, Complete Recycling Services, and are exchanged for funds to be donated to directly support the children and families staying at RMHC Eastern WI.

**Collect Until
Wednesday
May 8th**

SHOE DRIVE

The New Berlin Lions Club has partnered with Stan's Fit for Your Feet Share-a-Pair program to collect gently worn shoes and boots for those in need. For the third year in a row, the New Berlin Lions Club is teaming up with the School District of New Berlin elementary schools to collect even more shoes and boots!

The Club will collect the donated shoes and boots and turn them in to Stan's Share-a-Pair program to help those in need here in Wisconsin and across the U.S. The remainder of the donations from the shoe drive will be given to Soles4Souls, a global not-for-profit organization that distributes shoes to people in need and works with qualified micro-enterprise programs designed to create jobs in poor and disadvantage communities around the world.

Bring your family's gently used shoes, boots (or new socks) to school and drop them off in the Lions Club collection bins on the following dates:
